No license shall be required for any dog which is under the age of four months and which is not at large, or that is residing in a pound or shelter maintained by or under contract or agreement with

the state or any county, city, town or village, duly incorporated society for the prevention of cruelty to animals, duly incorporated humane society or duly incorporated dog protective association. Except as otherwise provided in this Section, a license shall be issued or renewed for a period of at least one year, provided, that no license shall be issued for a period expiring after the last day of the eleventh month following the expiration date of the current rabies certificate for the dog being licensed. All licenses shall expire on the last day of the last month of the period for which they are issued. In the event an applicant for a license presents, in lieu of a rabies certificate, a statement certified by a licensed veterinarian, as provided in subdivision two of this section, a license shall be issued or renewed for a period of one year from the date of said statement.

In the case of a dog being redeemed or a dog being adopted from a shelter or pound established, maintained or contracted for, pursuant to New York Agriculture and Markets Law Section 114, such application may be made to the manager of such facility, provided such manager has been authorized by the Town by resolution to accept such application. Such authorization shall be requested by the governing body of the pound or shelter and the granting or denial of such authorization shall be in the discretion of the Town in which the prospective owner resides.

(b) Application for a dog license shall be made to the Remsen Town Clerk.

(c) The application shall state the sex, actual or approximate age, breed, color, and municipal identification number of the dog, and other identification marks, if any, and the name, address, telephone number, county and town, city or village of residence of the owner.

(d) The application shall be accompanied by the license fee prescribed by section 4 of this Local Law and a certificate of rabies vaccination or statement in lieu thereof, as required by subdivision two of this section. In the case of a spayed or neutered dog, every application shall also be accompanied by a certificate signed by a licensed veterinarian or an affidavit signed by the owner, showing that the dog has been spayed or neutered, provided such certificate or affidavit shall not be required if the same is already on file with the Town Clerk. In lieu of the spay or neuter certificate an owner may present a statement certified by a licensed veterinarian stating that he has examined the dog and found that because of old age or other reason, the life of the dog would be endangered by spaying or neutering. In such case, the license fee for the dog shall be the same as for a spayed or neutered dog as set forth in Section 4 hereof.

(e) Upon validation by the clerk, the application shall become a license for the dog described therein.

(f) The Clerk shall provide a copy of the license to the owner and retain a record of the license.

2. The Clerk, at the time of issuing any license, shall require the applicant to present a statement certified by a licensed veterinarian showing that the dog or dogs have been vaccinated to prevent rabies or, in lieu thereof, a statement certified by a licensed veterinarian stating that because of old age or another reason, the life of the dog or dogs would be endangered by the administration of vaccine. The clerk, dog

control officer or authorized pound or shelter manager shall make or cause to be made from such statement a record of such information and shall file such record with a copy of the license.

Section 5. Identification of Dogs.
